## **CALLOUS DISREGARD FOR VETERANS.**

Despite avoiding the Vietnam War because of deferments, Trump claimed he endured the rigors of service because of a military-themed boarding school. Trump also said POWs like John McCain are not heroes, saying, “I don’t like people who were captured.” (The New York Times, 9/8/15; The Washington Post, 7/18/15)

## **SUPPORTS PRIVATIZING THE VA.**

Trump believes in privatizing the VA, leaving those who have fought and served so bravely at the mercy of for-profit insurance companies. (The Wall Street Journal, 5/12/16)

## **POLITICIZED DONATIONS TO VETERANS.**

After promising to donate to veterans’ groups as a political stunt at a campaign event, Trump waited months to do so, and only made the donation after being questioned about it by the media. (The Washington Post, 5/24/16, 5/31/16)
